“ Dear Gay, I just read Alan's obituary. I am so sorry. Please know I lost my beloved husband, Dan, in 2009.

*I have very fond memories of the two of you ... almost 50 years ago now. I am still teaching (34 years now) and do not plan to retire.

“ With deepest sympathy and condolences. A memorial gift has been made to the ACS in lieu of flowers as the family requested. He will be sorely missed: this world is in desperate need of brilliant thinkers like Alan who had the gift of seeing through the babble and clutter. My thoughts are with his family in this sad time.

“ Gay,  
*I am so very sorry to hear of Alan's passing. You and Alan were some of the few people who were very kind to me when I spent my Senior year at Hamlet High. My family had moved to Hamlet from New Jersey to take care of my Grandmother, Emma Bagwell. I will always remember your kindness.*

*I pray that you and your family will feel God's loving arms around as you face the coming days of sadness. May God bless you all. If I can do anything, please let me know.*

*Always,  
Helen*

“ *I am so sad to hear of Alan's passing. While I haven't seen him in many years, I remember him from when I lived in Hamlet and have only the fondest memories of a special person. So sorry that he is gone.*

“ Gay,

*I was shocked and saddened to hear that Alan is gone. I was looking at old pictures just a few days ago and came across the 25th HHS reunion and had some cute pictures of you and Alan. It's hard to believe. Take comfort that he is at peace and will be remembered by all of us who knew him. If I know my Mom, Lib Tilghman, whom I lost in 2008, she's already greeted him and he's been reunited with lots of loved ones.*

*My best to you and your family,  
Beth*
