“ *The passing of my Aunt Ann makes my heart heavy. The news that she'd passed seemed surreal. I will always love and miss her.*

“ *Ann, I am going to miss you so much. We have been in and shared a lot of stories together thru the years. You have touched so many lives in the short time that you were here with us. Bud you hold on and be strong. Just know that God is with you. Mrs. Pat I love you and I am praying for you. Please let me know if there is anything at all I can do for you.*
