“ *My deepest sympathy to Anne's family.  
I worked with Anne at the Village of Thiensville, and have many  
happy memories of those days.  
Although I would have liked to kept more in touch with Anne, I did  
have some correspondence with her over the years.  
She was a genuine, fun loving and gracious person.  
Again, my sincere sympathy to Anne's family.  
God Bless*
