“ I still have trouble believing that such a spirited woman could be gone. I loved Babs so much. I met her at the Palomino in Wilmington back about mid 90's somewhere. Kenny spun the records and Babs taught the dances. I can't even count the times that I had the honor of this lovely lady on my arm for a dance or three. We would even drive to Raliegh, or Charlotte, or Lumberton, or wherever the notion may carry us, for a night of good music and some really good dancing. We grew very close in a short period of time. I left Wilmington in 1999 and every time I ever went back to visit, I looked for her. When I was told that she had passed, I lost any desire to ever go back to Wilmington. It just seems so unfair that I have faced cancer twice already and I'm still alive and kicking, but God stole an angel from us, with not so much as a fightin' chance. That doesn't sit well with me. Babs had so much more to give. She was an exceptional woman in any form you choose the words. I had the pleasure of dancing with Babs and being a close friend for close to four years before life tore us apart. I miss her terribly. I just wish death had chosen somebody else, and gave Babs back to us for several more years. Why is it that only the good die young? Hugs and kisses to you Babs. There are many of us out here that miss you terribly. See you on the other side. ❤️😊❤️

“ So sorry to hear about your loss. I am praying for strength beyond normal, to comfort you and your family. God does Not cause death right now. Time and unforeseen occurrences befall all. Ecc 9:11. Soon our heavenly father is sending his son , Jesus, to solve all mankind's problems, by means of his kingdom coming here on Earth. Matthew 6:10; Daniel 2:44 .The scripture", Our father who art in Heaven hallowed be thy name, thy kingdom come thy will be done on Earth , as it is in Heaven." You see it is a government that Jesus will rule as King. It will bring no more pain, no more sorrow, no more tears, no more death. Revelation 21:3-5. The dead will live again, here on Earth. Acts 24:15; Psalms 37:11, 29; Isaiah 26:19. Make sure you look up all the scripture to see this is all true. There is more. If your interested email me at : kathy122346@gmail.com. It is all Free. “ I am truly sorry for your loss. It is so very hard to lose a loved one, no matter the age of the individual, but our God Jehovah has made a promise for the future concerning death --- that "death will be no more". Please take comfort in that promise noted in 1 Corinthians 15:26.

“ Through the years, I've admired Babs for many reasons; one of which being how she kept up with her family's milestones even when she was in the midst of growing her business. The way that her family came to her assistance when she needed them was a reward for her and as Chevis said at her service, a blessing for them. She will be missed by so many of us, but I for one, will keep on dancing, just as she requested.
