“ Brian, you are missed more than you know. You loved my sister better than anyone could and while you two had your issues over the years, you never gave up on her. I thank you for that. Thank you for being good to her and thank you for trusting me to care for her in your absence. I will try my best to care for her as well as you always did. Rest in Peace Brian, you are healed now and perfect in God's grace. You will forever be loved and missed.
