“ Sorry to hear about Carl. I use to work with him at Carter Orthopedics. He always brought me a cup of coffee when he came into work. God Bless!!

“ Charlene and Family,
I am so sad to learn of Carl's death. Even though I knew time was short when I saw him just before his leg surgery it still came as a shock. He was an outstanding Radiologic Technologist and I learned so much from him. He was an honest and true person and friend. I will miss him.

Hugs and love,
Lynn

“ To Eric, your Mom and the rest of your family may God be with during this time. Remember Jesus is your comforter and your helper in the time of distress !
