“ *I am so saddened to learn of Carley's untimely passing. What a vivacious, inquisitive, forceful, dynamic, interested and interesting educator she was.*

After her career as an esteemed educator in California -- she was past president of the National Association of Federal Program Administrators -- Carley contacted me almost daily from her retired post in North Carolina.

How I shall miss her wit, wisdom and voice for those most in need of our help.

My deepest sympathy, Carlos. I cannot begin to imagine the sorrow you bear.
