DL

“ I enjoyed the conversations we had when I came to Habitat for Humanity to visit and shop. I feel we were just really getting to know each other through the years and possibly becoming close friends. I wish I couldv'e done more for you than just offer my help. You have been greatly missed and I am sure you have now found some peace.

LR

“ Thanks for being a friend. Thanks for the recipes and dinners, even those I had to earn by working - ha! Love you.
