“ June, I am so sorry to hear of Charlie's passing. I too remember him as that cute little boy with the dark brown eyes and that dark curly hair. I remember a story that you told once of him getting a hair cut and he said that he had the holes cut out of his hair.  
I can remember as a child, you and Big Avery, having Charlie dedicated to the Lord at First Apostlic Church, the same day that my parents had my brother Trey dedicated. They were only 12 days apart in age.  
I also remember you being the one to give me my first job at the Ocean Crest Rest. I have always thought alot of you, and know that you and Avery and Chris will be in my prayers.
