“ I'm so sorry for your loss. I know the pain you are all going through as I wish I'd never had to. Keep your heads up. Love you all and will pray for you.

“ Patti, I am truly so sorry for your loss. I will continue to pray for you and your family. My heart breaks for you, as I know you loved Chris with your whole heart, you believed in him, and never lost hope in him. You are a beautiful soul and mother to your children. Children are blessings from God. Chris was blessed to have you as his mother. It's comforting knowing that Chris is at complete peace now, with his Heavenly Father now where there is no pain or suffering.

“ Chris was one of my very good friends and was like a son to me. He always came to me with his problems, trusted me, and respected me! He had such a good heart and loved his family, but struggled with life. I miss hearing from you Chris, almost every day by phone call or text message... but I know you are at peace now and with our Lord in a place of light, in a place of green pasture, in a place of refreshment - where there is no pain or sorrow or suffering! You are very missed by your family, me, and many others... I know what was in your heart and I pray that God will rest your soul in peace! I pray for your beloved family and pray that our Lord will comfort them in the pain which they are feeling because of their loss! May God rest your soul my dear friend and may your memory be eternal!

“ *My deepest sympathies. Psalms 94:19 reminds us "When anxieties overwhelmed me, you comforted and soothed me". Hoping this brings comfort during this difficult time.*

“🌸 My thoughts are with you all. There are no words to fully express what you are feeling. I can only say the pain and suffering endured for all is a different feeling now but the suffering felt prior is now diminished. I pray he's no longer suffering and you can take some comfort in that knowing he is not. There are no real whys in why God has taken him but perhaps it was to keep him safe. My love and condolences to you all. Much love ❤️ Kelly

“ I am so very sorry for your loss. My heart breaks for you. While I did not know Chris personally, I did chat with him a few times on Facebook. He was a kind, sweet soul. We talked about my dear friend, his Aunt Jane. I know she greeted him with open arms. May you find peace and comfort that only He can provide. Love to you all as you handle the days to come with broken hearts.

“ My dear, sweet Christopher, My heart is broken. I'm so lost without you, words can't even begin to express how I feel, just very, very empty. I can't believe I'm not gonna see you, touch you or hear your voice again, "I love ya mama, do you love me mama, mama do you love me?" I'm also going to miss us always saying the last, "goodnight," on every holiday. I tried so hard Chris to help you fight the fight. God knows as my witness I would have taken this on instead of you. I know you tried hard too and I know you loved me and didn't want to leave me, but it was all too much for you, I understand that and I forgive you Chris, but it hurts all the same. I love you with my whole heart and have always and will always forever love you. I don't know how I will go on, but just knowing you aren't suffering anymore - it helps. You are a good, good person Chris, very loving, generous, kind, funny- MY BABY, MY SON. And Christopher, I AM PROUD of you for trying. I will carry you in my heart everyday. I'm sure you'll do the same if possible. I pray you finally found your peace and are now with my father and my sister Jane. I love you Christopher - I love you. Mom

“ Chris was a wonderful human being. Very kind, loyal and always willing to help. He was very intelligent and had lots of potential, for the time I have known Chris we always had conversations and he was very open and honest with me and I truly appreciated that. I saw Chris on Sunday I bought him breakfast and whatever he needed to eat through out the day. I had great hope for Chris and always tried to instill positive thoughts to him. I was never prepared for that phone call. Oh how I miss Chris,! that smiling face is no longer there when I walk into the store. Chris we always loved you . Gone too soon. My deepest and sincere condolences to Chris's family. May his dear soul Rest In Peace. ❤️🙏

“ I love you so much little brother and I'm going to miss you more than words can even say. You were and are a wonderful person with such a good heart. I'm not sure how we are all going to go on without you, but I have hope that I'll see you again one day. Braelie reminds me so much of you...her spirit, her spunk, her determination, she will carry on your legacy and make you proud. Life will never be the same without you Chris and I will think of you every moment of every day until I take my last breath. You are in my heart forever and I will cherish the wonderful childhood we shared together and how close we truly were. Rest In Peace now little brother, with Aunt Jane. I love you.
