“ Dear Family of Chris Johnson,
I am so sorry to learn of the death of Chris, especially so soon after the death of Grandmother, Cecil Johnson. She worked for us at the YWCA and talked often and with love about her family.
Please know that you will be in my thoughts and prayers.

“ Dexter & Pam -

We so love you both and our hearts are breaking for you. Know our love and prayers are with you all. Our boys are precious to us and we know there are no true words that will help right now. Chris knows how much he is loved by you both and we pray you find peace in that thought. We love you friends - Dave & Allison

*We are so very sorry about Chris. I will miss him terribly but can't help remember his contagious smile and always leaving me on our "trips" with "I love Mrs. Campbell". Through the years we've had great memories together that will enable all of us to get through this. Take care and remember "Johnsons, we love you"!
