“ Our branch manager, LaJuan Pringle, shared this heartfelt message to library staff about David. "Dave was one of the most friendly patrons at Independence Regional Library. He always found the time to chat with staff and to bring in coupons from restaurants in the area that could be found in the breakroom. He had just visited our library last week. He and his family will be kept in library staff thoughts and prayers. He will be remembered for his warm heart and generous spirit."

*David will certainly be missed here at Independence Regional Library.*
