“ Dave and I (I think) go back to our days at Washington Elementary. We never were not real close but would greet each other usually. It sounded like Dave was a great grandpa to his grands, memories they will always adore. My condolences to the family and friends. Blessings to all!

“ I sorry to learn of Dave's passing! Dave and I were friends during our school years. We both Boy Scouts in troop 19. Dave was the one who urged me to tryout for the Norrx swim team. We remain friends until he graduated and I loss track of men.

I knew he would go on to do great things! My condolences to the family!

“ I knew Dave from kindergarten on. I have such sorrow that I never knew he lived so close, in Traverse City, until he had moved. We reconnected but I would have loved to spend time with him and meet his family. Please know my heart is breaking for all of you. He was always one of the sweetest people I knew. ❤️

“ Thinking of Jodie, Chris, and Katie. Sharing in your loss. Dave freely shared his beautiful smile, such a gift.

“ I'm thinking of you all every day and I hope you're comforted by the good memories you have shared. My heart goes out to you. You're in my prayers. Please don't hesitate to connect with me if you're ever needing a support. Love you all so much, as does all of my family. Hugs to you all. My favorite memory is being at your house playing games. I'm pretty sure during bible study with my parents. Love you ❤️
