

David Michael Francis

July 13, 1980 - June 4, 2024

David Michael Francis, 43 transitioned to heavenly life on June 4, 2024 at New Hanover Medical Center (Novant) in Wilmington, NC. David's transition was very sudden and unexpected. He was a loving son, brother, uncle, husband and friend. David was loved by everyone who met him and he could bring a smile or laughter to any situation. Always fighting for those who could not fight for themselves.

To my handsome King David,

Thank you David for all of the love you left in this world. You will always be remembered for your kind and gentle nature. Thank you for being my covenant and my protector. You were my King here on earth and you will always hold that title in my heart. As my heart is breaking for missing you already, I know that you are at peace. Please love on "the ancestors" until we meet again my King David. I will love you forever, for always, for love.

Your Loving Wife,

TaNisha

We will have celebration of life ceremonies for David in Wilmington and Jacksonville North Carolina as well as Jacksonville, Florida please keep notice for dates and times.

“ My handsome King David. I am sitting here still in disbelief that you are no longer here with me. I miss you so much that it physically hurts. There are a lot of people that miss you. However, the bond that we shared could not be changed by your physical transistion. My heart is totally broken and I am struggling to put it back together. I will carry you in my heart for eternity. I love you now, forever, and always my King.

“ I met David and Tanisha 6 yrs ago when my husband and I moved to Jacksonville NC. Tanisha and I worked together, and then I had the pleasure of meeting David shortly after. Being in NC and not knowing anyone except my Dad. I became lucky to call Them my friends. David was a quiet man, intelligent and humble as well as great husband. Most of all he gave the best hugs! Whitney and I will miss you, but we know you're in good hands. Until we meet again!
