“Joyce, we have not seen each other in a long time since we worked together at HT Restaurants/Annabelle's almost 30 years ago. I always remembered how sweet your relationship was with David and how you used to call each other Love Buckets. I never forgot that. I want you to know that you and your family are in my thoughts and prayers. God Bless You, Anita

“To David's family,

I am sorry to learn of his death. He was such a good student at Leland High School and later, I had the privilege of working with him at South Brunswick High School.

May your memories grow sweeter in the days ahead. Trusting that the Holy Spirit will give you comfort and peace as you face the days ahead.

“ Dear Joyce and Adam,
We are praying that you feel the comfort of the arms of Jesus. We remember David as a wonderful caring neighbor. His love of gardening was beautifully displayed in your yard that he enjoyed so much.
David is now in heaven and is face to face with our savior Jesus.
Blessings,
Joy

“ I am so thankful to have had you in my life. You played a very large part in my childhood. Uncle Buddy, which is what i grew up calling him was a very loving, caring and sweet man. He cherished his beloved wife Joyce and his son Adam. Everyone that met and knew him loved him greatly. He was a very outgoing person that loved life in general. He spent many years in the education system and cared deeply for each and everyone of his students. He always stressed the importance of a very good education to me as I was growing up. I know he is up in heaven smiling down on all of us. I will always love you and will keep you alive in my heart and in the memories. God gained another angel .

“ I'm so sorry to hear about Mr. Ganey's passing. I worked with him for many years at Hoggard (I'm still teaching there, in fact) and at times worked closely with him because of students we shared. This was truly unexpected news. My deepest condolences to you all in his family.

“ We worked with Mr. Ganey many years. He was such a joyful, kind spirit who reminded us so much of our father in his mannerism and nature. We have so much for him and respected him greatly. Praying for your loss. May God bless you and your family.
