“ I got to know Neal while we both were in the 9th and 10th grades together at Wilmington Christian Academy. He was witty, fun and very intelligent. It is with a very heavy heart that I have learned of his passing. May God bless you, the family, during this time and may you have comfort in knowing that Neal was a Christian. I knew him "back in the day." I was blessed to have been a friend to him for a couple of years of my life.

“ What a blessing to call this man family. A beautiful light in the Dunn family, always bringing a smile to every face through his humor and amazing meals. Now he is resting with Jesus, and his beautiful memory and love for family and togetherness will live on in his honor. We love you, Neal thank you for always making us feel welcome in the most caring way. Love Jonathan and Hillary

“ Words can't express the sadness I feel knowing that Neal has left the Dunn Family. He was a light of kindness, funny story teller as he shared many at family functions over the years. I was taking a series of test for my job, he called Kenny and said tell Sharon, I went outside and did a dance and prayed and she is going to pass them and all will be fine, and it was!it was funny but he was sincere, and he always always.....made our family feel welcome and cared for! A true gentle giant gone to soon!

“ Neal, truthfully I don't even know the write word to call you bc you have been many things to me my cousin, friend, hero and life coach. I know we all have our appointed place and time but a week later I'm still can't believe your gone. When our daughter had a health problem and in the hospital no one knew the pep talks Neal gave me that would give me the strength to hold it together in front of my family. For that and many more reasons I will hold Neal in high regard. We always loved you and we will always miss man.
