“ I just learned from Katy Farmer just now of your realm change, for now wink×444. 🙄. It burdens my heart because you are so beautiful and I know this time without you will be hard for some many, especially your family. I pray for their peace in knowing you are with GOD right now! I know you were chosen to prepare the way for The Kingdom to Come on Earth as it is in Heaven one day. We will see you again. Sooner than later. May peace be with you and love always. Tell my daddy I said hey ( Uncle Dolly; Digger and SSSP Sue) love you. Stay groovy love Kellie Gibson.  
Ps. BRIAN SAYS HE LOVES YOU AND MY HEART IS BROKEN. LOVE YOU TO THE BEACH AND BACK. LOVE APPLE (and his family. Especially his ego) lol kidding love kellie

“ Im great full for the opportunity to meet such a beautiful soul. Erica held me down when I was in prison. Hearing her laugh was contagious. Laughing because of something she said was what people were used to. I will never forget what she has done for me. She motivated me to strive to be a better person, a better son, a better man. We enjoyed just getting on the motorcycle and riding. My favorite place to go with Erica was this little secluded private beach she went to.

“ Erica my days fill empty now with your absence. You're gone way too soon. Im going to miss our daily therapy sessions where you tell me to pick myself up, put on a little make up, and cry later. Your star shone so bright it can never be snuffed out. You were the best friend a girl could ever ask for. Love you Erica, Heather
