“ *Our hearts are so saddened to learn of the passing of Ernie. I [Danyce] worked with Ernie at the NHC Cooperative Extension when he was the Arboretum Coordinator. He did an awesome job and was a great co-worker.*

May God continue to hold each of you in his loving arms!

“ *I have known Ernie since our days back in Newton Grove and at good old Hobpton High. I would run into him in Wilmington, and it was always good to see him. The last time I talked with Ernie he was talking about his children and how much he loved them. My deepest sympathies for his family.*

“ I was so sorry to hear of Ernie's death. I grew up with Ernie and Janice in Newton Grove and had many good times at Hobpton and the Soda Shop. Ernie and I had been keeping in touch since he had been sick and at Brunswick Cove. He was a special person and I'll always remember that big smile he always had. It is never easy but just remember all the good times and know he is no longer suffering and in pain.

“ Only weeks ago Ernie was sitting beside me listening to a band at Riverfest. He had such a unique smile and seem to always find humor in most things. He was proud to have his Son with him and proud of him serving our country. My prayers are with his children and family.
