“*Freddie and I met a year ago here at Lake Ridge Commons and struck up an immediate friendship. She was my co-editor for our monthly newsletter and always did these wonderful "Spotlight" interviews on various residents here. She was also my number one participant in Tuesday Night Trivia, where she knew every answer within seconds of the question being asked. She was one of the most fascinating and delightful people I have ever had the pleasure to meet, and it gives me great pride to have called her my friend. My heart is with her family this day.. she spoke so often of all of them, especially those grandchildren, of whom she was unfathomably proud. Freddie will be sorely missed. God bless.*
