“ Dear Fran,

David Sheedy told me of Jerry's passing. I want you to know that if am so sorry. I loved Jerry as did Woody. Woody died last June. It is so sad to see our partners of oh so many years leave us. If you ever want to talk about old times and check out Sarasota, come to visit me at 5912 Doral Drive, Sarasota, FL 34243, 941-359-1686. I remember all the fun we had playing bridge and losing to the guys every time. I send you my love, Rosemary
