“ I came into the Shulte family when I married Gary. Glen visited us in Arizona a few times and he loved the times he spent with us. A horseback ride in the beautiful Arizona desert with his brothers Gary and Scott is a memory I will always cherish. Glen loved my Spanish rice! I talked to him a few days before he passed away. He said he felt so blessed by the love and support of his network or family who cared for him through his battle with cancer. He would want me to give a special hug and thanks to Shelley Shulte who drove him to doctor's appointments, took him special meals and showed up in his times of need. He expressed his gratitude for the love from all of his children, siblings, extended family and friends. He was thankful for grandchildren. He left this world feeling fully loved. I will miss him dearly. His sister-in-love Linda Schulte.

“ We learned of Glen's passing with great sorrow. It was always a good time with Glen. Many nights we worked together at the old Shell station in Cleveland. Still using the "Apple" coasters that he gave us. We will never forget him.

“ Many of our class knew Glenn from grade school through high school in Cleveland and later in life. Some knew Glenn's family growing up-mom, brothers or sister. We will miss his quirky comments, humor, and will remember the good times with Glenn. May he rest in peace.

“ I was blessed to have met Glen when we became neighbors in 2017. We had a lot of fun sharing our love of music and he would bring his harps up to our place and jam. Even though we moved back to CT 3 years ago, we were in touch weekly and enjoyed a close friendship. Rest in peace my friend ❤️❤️❤️
