“ *My deepest sympathy to the family of Mrs. Millie Cameron....she was a dear friend..I knew her from Faith Baptist Church...I helped a little in her little flower garden in front of the church..we are going to call it a memorial garden now. I plan to plant a rose bush there in her honor..there will be other flowers planted there to honor other church members who have passed on recently...the family is welcome to plant there as well..She will be so missed and was so loved..*
