“ Jimmy and I were very close friends in high school at Page. We lost track of each other when I left Greensboro to join the Marines. We certainly had our fair share of good times though. I remember Jimmy well and am so sorry to just learn of his passing. RIP my friend.

“ Jimmy Carter was simply one of the finest people we have ever known. The world is a smaller place without him. He will live forever in our hearts. We were proud and happy to call him our friend. He exemplified the true spirit of our little town of Wrightsville Beach. Jerome Williams and Diane Dorsett

“ Although I did not know James, I wanted to take a moment to extend my sympathy. It seems that life is such a precious gift and yet so short-lived. I am writing to share a few words of encouragement from the source of true comfort, the Bible. John 11:25 are Jesus words of the hope he holds out for us. It says: I am the Resurrection and the Life. He that exercises faith in me, even though he dies, will come to life. John 5:28,29 promises that all those who are sleeping in the grave will be brought back by means of a resurrection to perfect conditions on a peaceful cleansed earth. (Psalm 37:11,29) May this message bring you comfort and hope.

“ Although I did not know James, I wanted to take a moment to extend
my sympathy. You can be assured that comfort and hope are found
in the pages of the Bible. Revelation 21:4 mentions a time when
sorrow and death will be no more. John 5:28,29 it says that soon
there will be a resurrection to reunite us with ones who have fallen
asleep in death. It is my hope is that these words will bring you
comfort.
