“ I have known Jimmy and Donna ever since Christa (my daughter) met and married Jack. Jimmy was always so funny in telling his stories and making me laugh. We all had a wonderful Thanksgiving together this year and he actually left me laughing as he walked out the door by me. Of course he put a cold bottle of water up to my neck and said "ooohhh is it cold". LOL I will miss your great presence and Thank You so much for being my grandson's only grandfather he has really known and been around! Rest in peace Jimmy Jones
