“ *My sympathies to the family. I am Jane's second cousin on the Darius Family Tree. Jane and I were born the same day and did correspond as our lives progressed. Count your blessings at her presence in your lives.*

“ *To Angelo jr. I have fond memories growing up with Jane. Your dad Angelo and mine (mike Darius Granville) were first cousins and very close. We had good times with my sister Carole and cousin Marilyn jones, who was born same day as Jane. If I recall correctly Carole was in janes first wedding. Carole passed away in 1993 at 53. My sympathy to you and janes children.*
