“ To the family, I am saddened by the grief that you are feeling. Knowing of God's embracing love for you, continue to look to him when " He will wipe all tears from our eyes, death, pain, and suffering will be no more. " - Revelation 21:3,4
He says death is an " enemy that will be brought to nothing. " 1 Corinthians 15:26

How comforting to know that our grief will be a thing of the past and through Christ Jesus a resurrection for our loved ones.

“ For the Futrell family,
I am so sorry to read this news about Larry. He was a great friend for many years. I first met Larry in Junior High School so many years ago, and I had the pleasure and privilege to work with Larry on several different projects over the years. I enjoyed his company and he was a loyal friend to all that knew him. Thanks for sharing Larry with the rest of us and know that he will be missed by so many of the friends that he made along the way.

“ I am so sorry to read this news about Larry. I have known Larry since Junior High School. I worked with him for several years in this country and in Japan. He was a great Supervisor, Machinist, and friend. There are so many of his friends that will be saddened to hear this news. I guess that if there is any consolation, Larry will meet a lot of his friends that have preceded his passing. For Larry's family, thank you for sharing him with the rest of us, and I wish you God's grace and peace during this difficult time. Larry was truly one of a kind!

“ I have know you since I was about 15. Oh the memories. You taught me many things. Thanks for all the years of looking out for me in the construction world. Traveling all over everywhere for months at a time. You renting your mothers old house to me. That was my first actual home all on my own. Tons memories, hard work and fun times. You always picked on me but also watched after me like I was one of your daughters. I will be forever grateful for knowing your crazy self. I watched you in pain for many years that's the only thing that makes this easier. Knowing you are not suffering anymore. Rest easy my friend.
