

Lisa Monique Nixon

November 28, 1964 - January 10, 2017

When God saw you getting tired
And a cure was not to be
He put his arms around you
And whispered come with me
He didn't like what you went through
And he gave you rest
His garden must be beautiful
He only takes the best
And when we saw you sleeping
So peaceful and free from pain
we wouldn't wish you back
To suffer that again
Today we say goodbye
And as you take your final rest
That garden must be beautiful
Because you are one of the best

Each night we shed a tear,
As we speak to you in prayer.
To let you know we love you,
And just how much we care.
Take our million teardrops,
Wrap them up in love,
Then ask the wind to carry them,
To you in heaven above.
