

Martha Jean Wells

Martha was born 12/19/1943 in Philippi, West Virginia. A loved mother, grandmother and sister who was generous and kind to loved ones. She possessed a love of knowledge; a passionate lifelong learner. Martha was known for her extensive book collection on diverse subjects from history to philosophy to the sciences. She earned an academic scholarship to attend Alderson-Broaddus College and graduated with honors with a degree in microbiology. There she met her loving husband of nearly fifty years, Kenneth J. Wells, Sr., who preceded her on life's last journey in 2015. Martha mourned this loss until her own passing on March 20, 2023. She is survived by her son Kenneth J. Wells, Jr. "Joe" will miss her until the day he is reunited with his parents. I love you Mom and miss Dad too; wishing I could have done more to comfort you after Dad's death and could have done more for your illness. Rest peacefully.
