

Michael Todd Allen

January 10, 1965 - January 10, 2021

Michael Todd Allen, 56, passed away on 1-10-21 after a valiant battle with Covid. Michael, who went by his middle name Todd, was born in Dunn, NC and lived his later years in Hampstead, NC. Todd is survived by his daughters Stevi Allen and Casey Jones, five grandchildren, his mother Jeanette Allen, his brother Gene Allen and his grandmother Bernice Carlisle. Todd is also survived by his favorite canine companion named Bug who is being spoiled rotten by his brother's family. His father Sherrill Allen and grandfather George Carlisle preceded him in death. Todd had many interesting life experiences including joining the Coast Guard, running a pet shop with his brother, working at Kelly Springfield and the Department of Corrections, and commercial fishing. Friends and family describe him as fearless, witty, and unique. Todd liked to "clown" around, he was always true to himself, and could fix almost anything. He loved everything about the ocean, loved listening to music

and more than anything loved his family unconditionally. A huge thank you to the staff at Woodbury Wellness Center for taking such good care of Todd for many years. We know the friends he made will miss him dearly. The family would also like to thank Central Baptist Church for their compassion during this difficult time.
