“ I'm so sorry, and surprised to hear of Mikes passing! Although we were not close friends You could find us on more than a few occasions at the local "watering hole" after work discussing it, and other concerns of the day. He will be missed!

“ My sincere condolences to Mike Wells' family.
I worked with Mike in the shops and on sets over the last 6 years - being a relative newcomer to IATSE #491. He made me feel welcome. He always had a great sense of humor and a strong, even keeled way of getting the job done with everyone. He was considerate, and played great tunes as shop do. He whistled all day long and you could hear him over the equipment into the next shop. He will be missed. Rest In Peace.

“ *Our condolence to Mike's family. It has been a while since I have been around him, but I have nice memories of "the old days" eatin' catfish he caught, and Mike was a nice part of our work family.*
