“ Scott, Thanks for allowing us the privilege of getting to know your dad. He was a great guy that I loved to have a conversation with! His laughter and smile would fill up a room! I looked forward to the Friday afternoons when Dick would roll into the camp. The day had just gotten brighter when Dick rolled in! He had GREAT tenacity, energy, conversation, and a helping hand where it was needed! I apologize for not making it to the Life Celebration, I had a conflict in schedule that I struggled with. I will always remember the Friday nights sitting by the campfire talking with Dick about his days in the tractor dealership, hunting stories, and the events going on at the club. He will always be remembered and maybe a few chuckles or two lol. He was dedicated, He was the "life of the party" so to speak in whatever he was doing. When Dick was present everything was going to be okay, it was going to be a good day. He had our back. Thanks Dick for the memories, I hope to see you again one day buddy! RIP, we will take it from here, Wayno standing by

“ Dick and I had a special relationship; he would call me when he had computer problems and in return, Dick would hold class in his garage to teach me the fine art of being my own handyman. WestPort isn't the same without him. Patty and I will really miss him. Our condolences to Judy and all of Dick's family.

“ *What a great guy. Always the one to help you out on any project. I will miss my many hours in his garage den sharing refreshments and just passing the time away. May he rest in peace and may God give Judy the strength and will to carry on without her partner. Love Reg and Gloria*
