“ Dear Mearlene,
So sorry to hear of the passing of your dear husband. It was a real pleasure to spend some time visiting with him and hearing stories about his life growing up, college, military and how he met you. What a blessing that you were able to have the 50th anniversary celebration last year.
You are in my thoughts and prayers!!
Love,
Lynn (Home Instead)

“ Neds Olds and Carol were here here recently and he informed us that Dick was having health problems. BR and I are very sorry about his passing as we always enjoyed being with the two of you. It does not seem to be that long ago when we all were playing in the friday night husband/wife golf events and laughing when I tried to confiscate the golfballs Dick and you had won....all in good fun. We have a winter house in Charleston, SC and hope to get by and see the Olds at some point. We would really enjoy seeing the old Lakewood gang and especially you. Again, sorry for your loss but please understand you have another 20 years to live, so make the most of it.

“ We will always remember all the wonderful times we had with Dick. Miriam, especially, had so many good times with Dick & Mearlene for so many years in Maryland.

From LMI to Willie Nelson concerts; from the beautiful wedding party for us at the White home on Scarlet Oak Drive (our daughter & her family live on that street now!), to Dick's retirement party at our house; and Dick & Mearlene's help when we had no where to go for two weeks, moving from one house to another. They were wonderful hosts, in their home, during that time. The memories are endless and so happy for us.

Thank you Dick for all you were -- you said you were the luckiest man on earth. Well, we feel like the luckiest people to have been friends with you and continued friends with Mearlene.

To the family -- we will always remember your husband/father/grandfather as one of the most special people we have ever known.

Love, Frank & Miriam
