“ While I did not have much interaction with Bob during my years at Ridge, I was fortunate enough to cross paths with him later in life. Bob and Marge became my friends and I will always value the times we spent together.

“ Mr. Adkins was a favorite of mine and many others at Ridge, not only as a V.P., but as our summer baseball coach as well. Amiable , approachable, and a genuine good guy make him unforgettable. He also introduced me to the v-12 Jaguar convertible! His spirit lives on in many fond memories. God bless,
Scott Sylvester

“ Dear Marge,
I was so sorry to hear of Bob's passing. We worked together for many years at Applegarth Middle School. He was the perfect Guidance Counselor- kind, compassionate, and authentic with everyone. Thinking of you and wishing you peace of mind and heart.
Sincerely,
Maggie Maziarz

“ Ridge High School 1974 - 1976.

Mr Adkins was not only my Vice Principle and baseball coach, but my friend. I was not a great student and had some troubled times during High School. My parents reached out to Mr Adkins for help and he would personally come to the house to meet with me. We would talk while sitting on my unmade bed, in my cluttered bedroom, listening to the Beach Boys. Thanks to him I went on to resolve issues with my parents and graduate.

Although a figure of authority, Mr Adkins did his best to understand us kids and demonstrated a true concern for us weither in school, on a ball field, or in the street.

Thank you Mr Adkins for all your help, moral support, and encouragement. You made a difference that I'll never forget...

Rest in peace my friend, I will keep you and Marg in my thoughts and prayers...

“ *Mr. Adkins provides one of my favorite memories from RIDGE HS. He was always so approachable and willing to listen. He had a great sense of humor and was always fair. As students we were all Blessed not only to be in Basking Ridge but to have Mr. Adkins as our Vice Principal. God Bless Mrs. Adkins our thoughts are with you.*
