“ *My heart is absolutely broken for you Gina, and for your family. You all are in my thoughts every single day and I'm always just a phone call away if you ever want to talk. Some of the best times of my life were spent with you and your family in Wilmington and I think of those times often. I hope you're able to reflect on all the good times Robbie brought into everyone's life who knew him. Love, Jamie and Jodie Lowrey*
