“ *Robin and I met at Zimmer Cancer Center. I was a lung cancer patient and she had battled the same lung cancer with which I was diagnosed. She was more than my friend; she was my inspiration and I will continue to bring awareness of lung cancer in her honor. My thoughts and prayers are with Doug and her children. Ron and I are praying for the family and please let us know if there is anything we can do.*

*Much Love,
Christine and Ron*

“ I am so sorry to hear about your loss. Let us know if you need anything. I did not know her but I know her daughter, Lindsay Franklin. From what I hear from Lindsay, she was a brave woman and will be greatly missed by all.

“ When I heard about Robin memories flooded back of the old neighborhood where we grew up. Even though Robin and I did not keep in touch I often thought about her and how she was doing. She will always be a part of my life that was filled with adventure, laughter, and growing up. Hope all are doing well and know that God is there to help you every step of the way.

Love to all,
Lisa DuPree Gray
