“ Ron will surely be missed when we make our visits to Carolina Beach. He was so kind to us every time. He would always share his tomatoes he grew in the yard and always treated our family with great kindness. The kids will miss him riding them on the golf cart. Remembering your family in Prayer.

“ Ron and Barbara have been such great friends. We have had a lot of fun times together. God's gain is our loss. We will miss going fishing, having casual meals together, short and sometimes long visits, sitting by the pool, and all the many times he would sit outside in front of his garage when the weather would permit. Last but not least, we had many conversations when he would sit on his back porch and we would stand at the fence that surrounded our pool shouting back and forth to each other. Sorry we can't be there with you at this time. Our love and prayers are with the entire family.

Love
