

Rory G. McHugh

May 3, 1974 - April 15, 2026

Rory G. McHugh, aged 51, a beloved son, brother, and uncle, passed away suddenly on April 15th, 2026. Rory's journey through life began in NYC and from a young age, Rory faced a daunting battle with cancer, defying the odds and emerging as a testament to the answer of prayers. His miraculous survival was a beacon of hope to his brothers and sisters and inspiration to all who witnessed it. Despite those early health struggles, Rory made it through many of life's twists and turns. Throughout his life, Rory's passion for computers and his sales skills led him to outsell many by displaying his knowledge, and helpful personality. He had a distinctive fashion sense, coupled with many artistic talents and musical gifts, showcasing his creativity and love of the arts. Rory was self-taught on his guitar and it was common to hear him strumming for hours. There were many who were amazed at his natural talent and passion. Rory's love for family and friends along with his gentle and kind nature, endeared him to all who crossed his path. Rory's passing leaves a void in the hearts of all who knew and loved him, especially his siblings: Hughie, Sean, Noreen, Brian, Marybeth, and Mikey, as well as his aunts, uncles, nieces, nephews and extended family members.

As Rory died on the same day as his beloved mother, Maura's passing just seven years ago, and a month after his father Hugh McHugh we find comfort in knowing he is now reunited with them in eternal peace.

May his memory be a blessing, and may his gentle soul guide and help those that loved him find peace. Rest in peace and the loving embrace of God, Rory. You will always be remembered, prayed for and deeply missed.

A mass will be held in his memory along with his father Hugh McHugh at St Paul Roman Catholic Church in New Bern on June 26th.

There will be a funeral mass and services in Kerhonkson, NY at the Chapel of Our Lady of Lourdes Church on July 7th
