“ It saddens us all at Something Fishy Restaurant to hear of Sandra's passing. Sandra and Robert have been coming to eat at Something fishy for many many years . We all over the years have always looked forward to seeing her and Robert and sometimes their extended family came with them . She was always very friendly and sweet and always asking how everyone was doing . She will be missed by all of us. It breaks our heart and we give our thoughts and prayers to Robert and family.
