“ So very sorry for loss of your wife Shelia. We are neighbors and would see Dave and Shelia going on a walk outside on occasion. Shelia seemed like a warm and beautiful person. We know Dave loved and cared for her dearly. I wish we had met her when she was in better health. She is with God in Heaven now and will suffer no more. She will be waiting for you Dave and her girls and grandchildren. Don't worry about her any longer. May God bless you Dave and your family. If you ever need anything you know where we are.

“ Sheila was my Best Friend for 52 yrs.
We met in 1970 when we both lived in Colorado.
We lost touch for 25 of those years after she moved back to
Carolina Beach.
But she found me again and have been best Friends ever since..
We had the most Fun back in the day.
Guys would go to work and us and the kids were off to the
mountains for picnics and fun. Or we would go to each others home
and play cards all day only to make it home in time to make supper.
Guys didn't even know we were gone ALL day. What Fun we had
Girlfriend.
I am So glad I made the trip to see you 2 weeks ago. Even played
cards with my Cheating Card Player Pal. Will Miss that.
I Love and Miss you My Friend. Will Never forget you while I am
here.
Thank You David for taking my Bestie and Loving her and Caring for
her all these years.
Thank You for becoming a Good Friend to Glen and I.
Until I see you again My Dearest Friend I will Miss you Dearly.
So sorry for your Loss David, Shannon, Renee.

All Our Love,
