

Thomas Wayne Blalock

September 28, 1965 - June 29, 2023

Thomas Wayne Blalock joined his brother Christopher James Blalock 44 in heaven June 29th , 2023 at the age of 57. He was survived by his mother Karen Marie Perry Blalock 77, his father James Lee Blalock 78. He had two children Kimberly Marie Blalock Rojas 37, and Thomas Wayne Blalock 2nd 36. He had four grandchildren William Blalock 13, Luna Rojas 9, Ivy Blalock 7, and Tomas Rojas 5.

Tom was known for his love of golfing, fishing, and going to the beach. He was the proud inventor of the “Blalock wave” and loved to laugh. He believed in family loyalty and was always there for anyone at anytime they needed him. Those who knew Tom knew his real passion was his grandchildren. He spent his life spoiling them and teaching them everything from life lessons on responsibility and character to introducing lingo such as “insane in the membrane”. He was a true Christian and knew exactly where he would go when his time came, so he never feared death. To know Tom was to feel like true family. A little harsh at times, a bit set in his ways, but true to his nature he would take on all your battles with you and help keep the line steady. He was the steadfast anchor in the mist of chaos. He was the best man I’ve ever known and he will be truly missed.

“ I have a lot of happy and funny memories from when I was a kid with Uncle Tom. We got our first puppy, Gipper, from him, the turkey that was at his house would always chase us, the spooky halloweens, birthdays..I'm sad I didn't keep in contact and share more memories. He was an awesome uncle.
