“ Dear Grandma Jean and the rest of the Blanchard family. I know we didnt always get along but I did however get treated like part of the family until it was no more.I'm so sorry to hear about Grandpa Tom dispite our problems with me being adopted into the family,Grandpa Tom tried his hardest to keep me where I so wanted to be and that was with your son Tom whom was the best father any girl could ask for.I do however notice I'm not listed as a surviving grandchild and I must admit that stung a little.I still carry the Blanchard name sometimes proudly sometimes not.But we have no need to hash up old memorys.If you could find it in your hearts to forgive my negligence I would love to speak with my dad he has been sorely missed for many years.My dad was the best and loved me with all his heart once upon a time ,I still love and miss him everyday.I have missed the other half of my family due to misunderstandings.I know my dad learned his great fathering skills from Grandpa Tom because he was a great man always up for a challenge.I sincerely hope you could give my dad a message that I long to hear from him if only for one single chat. God Bless you all and may Tom shine on your face like the sun forever. cordially yours Jessica L. Blanchard
