“ Granddad, I understand you left us much as you lived, on your own terms. You were a man who lived a full and fun life. It is nice to know you made so many other's happy and meant so much to them. We, your family will miss you much and pray you are at peace. By the way now that you and Grandma are back together try and play nice. (smile)

“ Mr. Gathright was a joy to all of us here at the Open Gate, where he did our lawn service. We looked forward to his visits and enjoyed his cheerful and witty disposition. What an amazing man ... and what a hard worker he was!

“ A beautiful man was called home this week. To Mr T's family, my deepest sympathies go out to you. I only had the opportunity to talk to him once, which was enough to know he was a man of great honor. But I never passed up the chance to send a heartfelt wave and a smile as he diligently manicured many friends yards in our luxurious Sandybrook.

Please take comfort knowing he lived a great life here, but he is attaining a far greater life with our Father and Lord, Jesus Christ. Just know that every time the sun shines, or you see a rainbow after every rain, Mr. T is telling you, be happy, be fun, and live your life as he lived his,, hard working but with a smile and a grace any human being should be envious of. We love you and will miss you always.
Sincerely,
Chris Shupert(a proud member of the Sandybrook family)

“ This note to to say how wonderful Mr. Gathright was to me when we got to know each other when he managed the grounds where I previously worked. He did indeed call me "Little Lady" or "Baby Doll". He was a truly wonderful man and always made everyone around him feel special.

I hope it brings the family some comfort knowing how loved he was by som many individuals. I will always remember the "Mercy Me"....from a friend he always made smile!

“ Dad, you were courageous to make your last decisions as you did. Perhaps Debs & Tony & I will inherit your longevity. May God's peace surround you. Something I read: Just for today, perhaps I can take heart that we're all connected & I may still have some things left to contribute to the family;some light to add to the light. Even now your endurance is a gift, an inspiration for others in their struggles.
