“ *Wanda and I volunteered together and had such fun together along with other wonderful friends of her's including Carolyn, Florence, Tish and many others. What a lady, we also shared the family illnesses and joys of her grandchildren. What a great mom, grandma, hostess and wife. A toast to you all and especially Wanda. Love, Mary*

“ *I regret that I will be away and cannot attend the services for Wanda. She was a lovely lady and I feel fortunate to have been able to share the cruise to the Bahamas with her last year. She was fun and a good sport even though she was nursing her knee from recent surgery. My special memory was playing with her in the Landfall member quest the last time she was able to play golf. I am so glad she was in my life.*

Thank you,
