

## William Pritchard

William Edward Pritchard

June 16, 1974 - April 22, 2022

Bill Pritchard was a man who loved life and what it held to offer. With a generous heart, warm disposition, and large personality, he was a character, filled with light and laughter, usually due to his jokes; especially the dirty ones. Bill loved with all he had and never seemed to have any friends, only family, for if you were loved by Bill, you became his family. The beloved son, father, and grandfather leaves behind his mother, Denise, brother, Steven, son, Damion, daughter, Kristina, and his three grandchildren, Jasmin, Peter, and Wyatt as he joins his father, Charles, in heaven. Bill, you are greatly missed.

“ In the short time I knew Bill he was a kind and warm hearted man. You were never his friend to him you were family. He would spend his days and nights online with more of those he considered family. He was loved by many and will be missed by many. Including me and Rose.

“ Billy, as we called him growing up, was a great guy. Funny and intelligent he always kept us laughing. I have such fond memories of the many, many weekends he and his brother Steven spent with us after I married, sharing pizza, playing video games, watching movies, and camping during summer months. In my memories he will always be a lanky kid of 16. He was an amazing cousin and friend and I will forever miss him.

“ Sometimes we don't know why things happen the way they do.... But I know this... I know you are running the streets of Gold. No more pain nor suffering. There will forever be a void... Kick up that dust buddy...because we will meet again!

“ *He was a great man and a wonderful dad. In the short years I have known him I've got the best years a daughter could have. I was blessed to have the time I did have with him.*
